As we have mentioned before, it is practically impossible to cope with both part-time job and studying duties. In this tough situation, we, as retired students, took a responsibility to help a new generation and provide young people with quality college and high school homework help that they really deserve.

May Reading Workbook Print a reading, proof reading, cloze, math, and writing practice with mixed review all in one small easy to print workbook.

### **May Worksheets and Workbooks | edHelper.com**

XtraMath ® helps students transition from counting or calculating the basic math facts to recalling them. Quickly recalling math facts, instead of calculating them, frees up mental resources for higher-level operations. XtraMath's timed activities encourage students to answer questions as quickly as possible.
