Glen, I am looking for the "download software" which is ...

I have an APEX Destiny 6100 system. The folks who installed it went out of business and the folks who now monitor it don't know that system. I have an installation manual and understand how to get into programming mode. I'm looking to do two things. First, I want to enable the system to have more than it's current limit of two user codes.

I have an APEX Destiny 6100 system. The folks who ...
