A Radio Engineer's Perspective On The Project And Its Prospects A personal essay in hypertext by Scott Bidstrup. Let me state right at the outset that I really, really want SETI, the Search for Extra-Terrestrial Intelligence, to succeed. The announcement that we are now known to not be alone, would be, in my opinion, one of the greatest news stories in the history of the human race, certainly ...

How public education cripples our kids, and why. I taught for thirty years in some of the worst schools in Manhattan, and in some of the best, and during that time I became an expert in boredom. Boredom was everywhere in my world, and if you asked the kids, as I often did, why they felt so bored, they always gave the same answers: They said the work was stupid, that it made no

sense, that they ...
