In selecting projects for funding, the Foundation seeks proposals for original initiatives led by outstanding individuals or teams. We are interested in projects that have a high expected return to society, exhibit a high degree of methodological rigor, and for which funding from the private sector, government, or other foundations is not yet widely available.

Types of proposals. Proposals are produced for many different purposes, but they can be split into two categories: solicited and unsolicited. The solicited proposal usually begins with a request for a proposal (RFP). Many companies will use an RFP template to give potential suppliers details of what they are looking for in a bid.
