Free Citroen Bx Service Manual

The Citroën BX is a large family car which was produced by the French manufacturer Citroën from 1982 to 1994. In total, 2,315,739 BXs were built during its 12-year history. The hatchback was discontinued in 1993 with the arrival of the Xantia, but the estate continued for another year. The BX was designed to be lightweight, using particularly few body parts, including many made from plastics.

Citroën BX - Wikipedia

The popularity of French automobiles may not be at the high point now that it was in the early stages of the last century, but even with the advances made by other nations, there are still several brands which owe either their existence or a significant element of their popularity to the nation.
