Description In Passport Advantage, the image for IBM Systems Director 6.3.5 is intended for use on Windows 2012 operating systems only. If you are installing the Systems Director server on a Windows 2008 system, you need to use the 6.3.2 Systems Director server image from the Director Download site in addition to the image available from Passport Advantage.

### **Installation Instructions for IBM Systems Director Server ...**

Systems Director V6.3 is very different from previous versions: It's far simpler to install but the key challenge is finding clear, step-by-step documentation on what to do. After searching IBM Redbooks and reading the relevant READMEs, I finally used notes I had taken from watching Nigel Griffith's videos and from the lab at Power Systems Technical University.
