Information from the Saab WIS General 7429 A bus is the leads over which information is sent digitally and serially. Digital means that the signal is either 1 or 0. Serial means that the information is sent in "packages" in close succession. All the control modules in the car are connected via three buses. Two of these buses are electrical while the third is optical.

Blower Motor: Do you have Automatic Climate Control (you dial in a specific temperature) or do you have Manual Climate control (select from cooler to hotter)? The two systems use a different blower motor so you need to order the correct one. My wife's 9-3SC has ACC and I could not find any Saab branded ACC blowers at the typical Saab specialty parts houses, however they did have Saab branded ...
