Hey all, I've been checking out these forums recently--some really great stuff here! I currently don't have internet at my apartment(I'm typing this from my parents house), so I was thinking it would be helpful to print out the TSRM manual...looking at the site it appears I'd have to print each page individually.

When I downloaded my manual (a year ago from another site of coarse) it took me at least 5 hours to get all 28 chapters. Just to see how long this one would take to download, I started to download the biggest file (1990 TSRM) for 5 seconds just to see the speed characteristics & then canceled the download.

Hey guys, This is my first post. I tried searching for a thread with my question and found bits and pieces on different posts, I was hoping that someone here might be able to give full instructions on how to remove and repaint 20+ year old body side moldings. Hope you guys can help. I have three MK3's only one of them is working and near completion.
