History. This new codex also enables Tyranid players to field a total of eight large Tyranids to be deployed in a medium-sized battle, although the player would still have to field compulsory troop choices. With this concept Tyranid armies can now consist of many troops and/or a just few powerful units.

Codex: Tyranids Preview - Hive Fleet Adaptations. There are very few Tyranids units (bar perhaps the poor Zoanthrope) that aren't deadly in assault, and this trait means close-deploying units like the Trygon will often be able to guarantee an assault on the turn they arrive, especially when combined with the Adrenal Glands biomorph.
